The Annual Golf Day with the Irish Concrete Society and the Concrete Society Northern Ireland Region will take place at Kilkea Castle Golf Club on Wednesday 27th August 2025.

Located 40 mins from Exit 9 on the M50, this championship golf course has been developed beneath the shadows of the 12th century Kilkea Castle. This magnificent setting allows the splendour of the castle to be viewed from every fairway.

Flowing through the castle grounds and estate, the River Griese acts as a natural hazard. Encountering the river at almost every hole, combined with a variety of other hazards and interesting greens, ensures golfers have a considered challenge on their hands. An additional two lakes included in the course design add to the overall difficulty of the challenge of this wonderful course.

Limited to 30 players, this is a member only event. A booking fee of €70 per player applies.

Tee-off will be from 9.24am with lunch afterwards in Hermione's Restaurant. The competition is individual based with 1st, 2nd and 3rd prizes. The 1st place golfer will also win the JKC Construction Perpetual Challenge Cup!

Terms & Conditions of Booking:

Bookings are on a 'first come, first served' basis. A waiting list will apply in the event of over-subscription. A cancellation fee of 50% may be charged for confirmed bookings cancelled within 10 working days of the event. All cancellations must be confirmed by email. Non-attendance will be charged at the full fee. The Irish Concrete Society will not be liable for any costs incurred if the event is cancelled.

In the event of over-subscription, a waiting list will apply. Places will not be confirmed until either payment or a valid purchase order has been received.

Please book directly with the Irish Concrete Society
