STUDENT TRAVEL BURSARY

The Irish Concrete Society invites applications from postgraduate students for awards from the Irish Concrete Society Travel Bursary. These awards are to be used in support of travel expenses incurred in furtherance of research on concrete.

Preference will be given to applications for attendance at international conferences at which the student is presenting a paper on their research. Awards to undergraduate students may be made in exceptional circumstances.

Successful applicants should acknowledge the support received from the Society in their presentation or paper.

For further information please contact office@concrete.ie
