CONCRETE  
SOCIETY

Technical Seminar

# Visual Concrete

A half-day technical  
seminar for all  
involved in design,  
specification and  
construction  
featuring  
architectural concrete

**RIAI CPD LINKS**  
RIAI Recognised CPD Providers

Clayton Hotel Ballsbridge,  
Merrion Road, Dublin 4  
26<sup>th</sup> of November 2019

## **Introduction**

Achieving good quality surface finishes can be challenging and an understanding of the material properties and the process is essential in order to get the best results.

In this seminar we will look at various uses of exposed concrete surfaces and how to specify visual concrete.

## **Who should attend**

This seminar will be of interest to all those who are involved in the design, specification and construction of architectural concrete surfaces. Those who should attend include Architects, Architectural Technicians, Engineers and those in supervising roles on site as well as specialist sub-contractors. Clients and Consulting Engineers may also find this seminar useful.

## **Seminar Agenda**

**8:45** Registration and coffee

**9:30 Jason O'Shaughnessy, DATUM Architecture Studio**

The role and use of concrete in architectural projects

**10:30 Speaker TBC**

A Contractors view of visual concrete
