Irish Concrete Society

Architect Individual Membership Application Form

Membership Year 2026/2027

PROFORMA INVOICE

The Irish Concrete Society is a not for profit learned society founded in 1973 to promote excellence in the use of concrete in Ireland. It is a cross-sectorial, independent, impartial, science and engineering based organisation. The Society holds regular CPD seminars and lectures to help with the technical aspects of concrete and hosts its prestigious Annual Awards, which has been held annually for over 40 years.

Architect Individual Membership Benefits

- Preferential rates for all technical seminars and training courses
- Information on concrete related issues through lectures and site visits
- Opportunities to network with professionals and specialists throughout the concrete supply chain
- Email new alerts
- Phone and email support from Executive Officer
